

Warranty Policy

Pref-Tech will guarantee all material and workmanship for a period of one year from the completion of the work included in this proposal. The warranty will commence upon material delivery or final project acceptance, whichever comes first, and will terminate the 365th day beyond the date of shipment or final acceptance, regardless of warranty work conducted during the warranty period. The Owner is responsible for troubleshooting and identifying faults covered under this warranty. Additional fees may apply if Pref-Tech must troubleshoot issues for the Owner and/or if, during the course acting on a warranty request, Pref-Tech determines that the issue was not generated by failures in material or workmanship. Except for the foregoing warranty, Preferred Technologies specifically disclaims all other warranties, express or implied, including but not limited to the warranties of merchantability and of fitness for a particular purpose.

Pref-Tech shall not be liable for any special, consequential, incidental or exemplary damages or loss. Pref-Tech will not be responsible for equipment or parts which are in disrepair due to misuse, accident or mishandled by others not authorized to service this equipment during our agreement time. Pref-Tech will not be responsible for damages caused by fire, the elements, civil commotion, and malicious mischief, negligence of the customer, its agents or acts of God.
